The School Board has informed us that school would begin on the first Monday in October. They begin the school in the old building and will move to the new one as soon as it is completed.

Aaron Porter and Miss Jane Rodgers and Jos Nelson and Miss Lela Cooper all of St. Joseph, were here Tuesday to take the train for Salt Lake City, where they go to get married. We extend to the happy people our best congratulations and wish them many pleasant turns in the highway they are to travel.

Mr. and Mrs. James L. Shumway arrived in town Tuesday on their wedding tour for Salt Lake City. These young people were married last week. As to the particulars of the wedding were unable to learn. But to them the News extends its best regards and wishes them much happiness.

Miss Della Smith of Snowflake, left Tuesday for a visit with friends and relatives at Salt Lake City.

Have you seen those lovely creations at Mrs. Smith's millinery store? All kinds of Ladies, Misses and Childrens hats. Quality and prices to suit.

Mrs. R. C. Smith.

Chet Houck, came home from Kansas City, Sunday and immediately left for his ranch near Heber. Mr. Houck said he received a fair price for his lambs.

Art. McCliments spent Sunday in Winslow, returning Monday. Art is one of the boss carpenters of Holbrook.

George Wilber, is in this week from Heber with a train load of fat lambs for the markets at Kansas City. Mr. Wilber will go with the sheep to the markets. Mrs. Wilber will remain in Holbrook, during his absence.

B. First is quite sick this week. Mr. First has been ailing for some time and now is confined to his bed. We hope to be able to chronicle his recovery next week.

J. J. Vosburg, of Los Angeles, Cal. is here this week looking after his interests. Mr. Vosburg has considerable cattle in Navajo County.

Johathan Jackson, from Woodruff, was here Saturday. Mr. Jackson says Holbrook, is coming to the front fast.

Frank Campbell, is becoming quite famous as a tailor. If you have a horse and you want him dressed up frank can do it. The horse which he had cut up in the wire was all cut to pieces and looked as though he was as good as dead, but frank brought him home and made a suit of clothes for the horse and he is getting along all right.

Mr. and Mrs. W. K. Bowen, of Mesa, who have been spending the summer with their friends Mr. and Mrs. Geo. Wilber on their ranch near Heber, returned home Monday. They had a great time while in the mountains hunting and fishing. It is true they did not kill any lobo wolves but they hunted for them that is Mr. Wilber and Mr. Bowen did. Mrs. Wilber and Mrs. Bowen can tell you all about it.
